

New Year's Visiting

A long time ago, Métis families celebrated New Year's in the most fun and lively way!

After a quiet Christmas, New Year's was all about visiting neighbours, eating cakes and pies, dancing to fiddle music, and lighting up the night with fireworks!

Everyone joined in—ringing church bells, sharing laughs, and enjoying good food. It was the perfect way to brighten the coldest months of winter and bring the whole community together.

Who would you like to visit with this New Year's?
